

### What is an AUP?

Acceptable Use Policy (AUP) is a document that outlines how we children, parents and staff to behave when they are online, and/or using school networks, connections, internet connectivity and devices, cloud platforms and social media (both when on school site and outside of school).

### Why do we need an AUP?

These rules have been written to help keep everyone safe and happy when they are online or using technology. Sometimes things go wrong and people can get upset, but these rules should help us avoid it when possible, and be fair to everybody.

School systems and users are protected and monitored by security and filtering services to provide safe access to digital technologies. This means anything on a school device or using school networks/platforms/internet may be viewed by one of the staff members who are here to keep your children safe.

### What am I agreeing to?

1. I understand that Buckshaw Primary School uses technology as part of the daily life of the school when it is appropriate to support teaching & learning and the smooth running of the school, and to help prepare the children and young people in our care for their future lives.
2. I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials, including behaviour policies and agreements, physical and technical monitoring, education and support and web filtering. However, the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, which can sometimes be upsetting.
3. I understand that internet and device use in school, and use of school-owned devices, networks and cloud platforms out of school may be subject to filtering and monitoring. These should be used in the same manner as when in school.
4. I will promote positive online safety and model safe, responsible and positive behaviours in my own use of technology, including on social media: not sharing other's images or details without permission and refraining from posting negative, threatening or violent comments about others, including the school staff, volunteers, governors, contractors, pupils or other parents/carers.
5. The impact of social media use is often felt strongly in schools, which is why we expect certain behaviours from pupils when using social media. I will support the school's social media policy and not encourage my child to join any platform where they are below the minimum age.
6. I will not form an online 'friendship' or enter into communication with staff via unofficial Buckshaw social media.
7. I will follow the school's digital images and video policy, which outlines when I can capture and/or share images/videos. I will not share images of other people's children on social media and understand that there may be cultural or legal reasons why this would be inappropriate or even

PARENTS

- dangerous. The school sometimes uses images/video of my child for internal purposes such as recording attainment, but it will only do so publicly if I have given my consent on the relevant form.
8. I understand that for my child to grow up safe online, s/he will need positive input from school and home, so I will talk to my child about online safety.
  9. I understand that whilst home networks are much less secure than school ones, I can apply child safety settings to my home internet. Internet Matters provides guides to help parents do this easily for all the main internet service providers in the UK.
  10. I understand that it can be hard to stop using technology sometimes, and I will talk about this to my children.
  11. I understand and support the commitments made by my child in the Acceptable Use Policy (AUP) which s/he has signed, which a template can be seen on the school website and I understand that s/he will be subject to sanctions if s/he does not follow these rules.
  12. I can find out more about online safety at Buckshaw Primary School by reading the full Online Safety Policy on the school website and can talk to my child's teacher if I have any concerns about my child/ren's use of technology, or about that of others in the community, or if I have questions about online safety or technology use in school.

I/we have read, understood and agreed to this policy.
