## Behaviour Management Policy September 2022

*At Buckshaw we aim to prepare our children for their future  
by raising aspirations and developing resilience within a  
happy, safe and caring environment*

Beyond Buckshaw recognises the importance of using effective behaviour management strategies in promoting children's welfare and enjoyment. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies. The Club rules are clearly displayed at every session, and are discussed regularly.

The Club's designated member of staff responsible for behaviour management is Mrs Mensforth who will liaise with the school behaviour lead if necessary.

Whilst at Kids Club we expect children to:

- Use socially acceptable behaviour
- Comply with the Club rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the Club

### **Encouraging positive behaviour**

Positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Sticker rewards
- Informing parents about individual achievements
- Class dojos
- Offering a variety of play opportunities to meet the needs of the children attending the Club

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Club will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

### **Dealing with inappropriate behaviour**

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity session.
- Staff will discuss why the behaviour displayed if deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.

- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.

### **Physical intervention**

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an incident log will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the manager or, in extreme cases, the police.

All serious incidents will be recorded. This may be used to build a pattern of behaviour, which may indicate an unknown underlying cause. Where causes of incidents indicate possible abuse, child protection procedures will be implemented.
