

Boys Year 5 & 6 Football Team 2022/2023

Over the last few weeks some of the boys in Year 5 and 6 have been competing in a football tournament against other schools in Chorley. The boys played brilliantly over the 3 weeks, playing some great football which was a joy to watch. They scored some great team goals and our goalkeeper Charlie made some top-quality saves to keep us in a few matches. Our super striker Mason was our top goal scorer with an impressive 11 goals. Scarlet was the only girl in our team and one of the few at the whole tournament, but that did not phase her and she got stuck straight in and played brilliantly despite being in defence which is not her preferred position. We managed to finish 4th overall which was extremely unfortunate as only the top 2 made it to the finals. Nonetheless we are still extremely proud of them all and with more training over the next year we can hopefully make it to the finals the next time round.
