| Raeus | Daisy |
| Ollie | Maia |
| Adam | Rihanna |
| Corey | Bobbie-Jo |
| Mason | Lola |
| James | Scarlet |
| Henry | Louise |

On the 23rd of February we travelled to West Way Sports Hub for a day long football tournament. The tournament was ran by Chorley FC in hope to find a team to represent them in the national school's league. We entered a boys' team and a girls' team to compete in order to make it through the next stage. If they were successful we would move on to the next stage. The morale in both teams was very high as we arrived and the sun was shining down on us and we knew it was going to be a great day. The boys team unfortunately came 4th and didn't manage to secure a place in the next round however we could see a massive improvement in the determination and cohesion of the team and hopefully the next time we may come out with a better result. The girls team however played an excellent tournament winning 3/3 of their games, even winning one game 7-0, subsequently Chorley FC have invited us to represent them in the next stage of the competition. If we manage to win the next stage then the final is at the well-known Wembley Stadium. Everyone here at Buckshaw are very proud of our excellent footballing teams and are looking forward to what the future brings. We hope everyone keeps their fingers crossed for us for the next round. TO BE CONTIUNED...
