

## Girls Football Chorley FC Tournament

Coach: Mr Fairfield

Lola	Rihanna
Daisy	Scarlet
Katie	Evie-Lee
Maia	Bobbie-Jo
Kayla	Louise

On the 20<sup>th</sup> of March the time arrived for the second round of our girl's tournament representing Chorley FC in our Road to Wembley. The girls were at school bright and early for 8am as we had a long coach ride to Oldham where the tournament was being held. When we arrived, we were met by the Chorley FC staff who gave us some kits for the girls to wear. The 8 teams were split into 2 separate mini tournaments and the top 2 teams from each went through to play in another tournament and the winner of that would progress to the next round. After a tough first 2 matches we went in to the last game knowing that we needed to win to get through. And the girls did just that and onto the finals tournament we went. Unfortunately, we did not win the finals tournament so our Road to Wembley was over for this year. Nevertheless, the girls performed excellently throughout both tournaments scoring lots of goals on the way and should be proud of this great achievement. As a token of appreciation for representing them, Chorley FC kindly let the girls keep the kits they wore on the day. They have also invited them to Chorley FC's last game of the season where they will get a chance to meet the first team players and will be applauded by all in attendance. We'd like to say massive thank you to all the girls involved from the whole Buckshaw Family.
