

Year 3/4 Athletics Competition

On the 26th January after school some of our Year 3 and 4 pupils attended an athletics competition at Holy Cross High School. There are 4 heats in this competition, we were part of heat 3 and if we managed to score a lot of points in our heat there was a very high possibility, we would make it through to the finals. The competition consisted of two sections which were track and field. The track section consisted of several different relay races where the children had to work together to get the quickest time possible. The field section consisted of different jumping and throwing events such as the triple jump, shotput, and javelin. Each child competed in at least 2 track and 2 field events, and they all did fantastically with both the boys and girls winning a few different races. All of our children have made everyone at Buckshaw Primary School proud of them and we are eager to find out whether we have made it to the grand finals. TO BE CONTINUED...
