

Year 5/6 Athletics Competition

On the 29th November after school we attended an athletics competition at Albany Academy. We had been training hard in the previous weeks to compete against other schools in our area to try and progress on to the Lancashire finals. The competition consisted of two sections which were track and field. The track section consisted of several different relay races where the children had to work together in order to get the quickest time and they did brilliantly and managed to win a few races. The field section consisted of different jumping and throwing events such as the triple jump and javelin. The children had worked very hard in school as well as some training outside of school in preparation for the competition which was noticeable when they competed in their event. Unfortunately, we missed out on the finals however the children gave it their all and showed great determination to win as well as a solid attitude to defeat and the whole of Buckshaw Primary School are very proud.

Our Buckshaw Athletes

Rihanna	Aaliah	James
Charlie	Corey	Daisy
Moses	Mason	Scarlet
Ollie	Lucy	Kayla
Chiwuike	Adam	Katie
Bobbie-Jo	Belsim	Raeus
