

## SPRING TERM NEWSLETTER

W/E 12TH JANUARY 2024

Dear Parents & Carers,

Welcome and Happy New Year to all our families. I hope you had a lovely break over the holidays - it was great to welcome back so many smiling faces on Monday.

Our theme for this half term is DETERMINATION and I have been asking the children to think about a challenge that they could set themselves that they might be able to achieve this half term if they are determined. It would be great if you could talk to your child about something they might like to achieve, I would love to hear about it. We are collecting any challenges on a board in school so that I can see how they are getting on. It could be anything: learning a particular times table, riding their bike without stabilisers, trying to read 5 times a week, making sure they get themselves ready for school independently every day and so on.

The arrival of the swimming pool has caused much excitement and the children have been superstars, with lots of our older children already meeting their target. Swimming will continue next week - please look out for messages from your child's teacher on Class Dojo.

We have planned out the diary for this term and all dates are on the bottom of this letter. There is lots to look forward to! Please watch this space for further details as events approach.

Have a great weekend.
