

## SPRING TERM NEWSLETTER

W/E 23rd February 2024

Dear Parents & Carers,

It was great to welcome so many parents and carers into school earlier in the week for parents' evening. If you didn't manage to make an appointment, please contact your child's teacher, who will try their best to arrange a convenient time.

Before the half term break, we were working hard on developing a new school motto. After children, parents, staff and governors all having the chance to vote, the scores were extremely even! We have played about with the two options a little bit and tried to combine the best bits to give us:

'Learning, believing and growing together.'

We hope this includes the things most important to our school - learning, aspiration, personal growth and collaboration. We hope you approve!

Next week I will be talking to the children about our next project. Watch this space!

Have a great weekend

**Don't believe everything you see online!**

Young people can very easily be dragged into things without parental guidance and support.

**Online safety is when young people know who they can tell if they feel upset by something that has happened online.**

**Parents** please contact your school to enquire attending their next e-safety workshop or have any concerns.
