

SPRING TERM NEWSLETTER

W/E 15th March 2024

Dear Parents & Carers,

A huge thank you for all the chocolate donations sent in today. We have an amazing selection of prizes for next week's bingo night. If you haven't already got your tickets, they are available on ScoPay.

This week we had a visit from designer Caitlin, who visited school to work with the children whose designs had been picked to be incorporated into a new school logo. Well done to Travis in Year 1, Oscar, Lacey and Imogen in Year 4 and Aida in Year 5. They spent some time working with Caitlin before she went away to produce the final design. We can't wait to see it! Well done to all the children who spent time working on a design to enter into the competition.

On World Book Day last week, we set all the children the challenge of reading at home 3 times during the week. Today our Reading Monitors checked all the children's diaries and counted up how many times they had read. All those managing 3 times or more have enjoyed an extra playtime this afternoon and everyone can work towards 10 reads at home, at which point they can choose a little prize.

A reminder that we have a reading session for parents in school on Tuesday 26th March. There are two sessions, 2.30-3.00pm and 3.30-4.00pm. This will include lots of top tips for helping your children with their reading at home from reading expert Caroline Yabantu. It is suitable for parents of any primary aged child. We really hope to see you there.

Have a great weekend.

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
